# COMPANY PROFILE

First Class Security Experience

## OUR COMPANY

Mulika security is a Kenyan company dedicated to the provision of excellent security services in East Africa. It was established in the year 2010 and so Mulika has many years of extensive knowledge and expertise in the security industry. Through the provision of unrivaled quality commercial security services to businesses operating in the public and private sectors, mulika Security has achieved much success through building on its policy of integrity, credibility and partnership with all of its clients. .All of our senior management has either military or police experience and this knowledge is passed onto our other personnel and have acquired an in depth perspective of East African trends and conditions.

We are capable of dealing with all your security needs and offer a complete range, planning, system analysis and design as well as executive services. Mulika Security specializes in physical Security, Canine Security, Private investigations, VIP Protection, Security Systems, tracking services, Alarm response as well as Training and consultancy services.

Since 2010, Mulika Security has delivered wide range of security services such as physical guarding, private investigations, training and other security services. Our Security packages are designed especially for the client with respect to their specific needs and financial capabilities.

At Mulika Security we recognise the importance of our security team in providing a customer service that goes above and beyond the norm. Mulika Security believes that the key to providing a first class service lies with investing in the workforce which is why we have made significant contributions towards recruitment, training and development in terms of our Managers, Supervisors and Front Line Security Officers. By making a continuous effort towards the personal and professional development of the our Security Team, we have achieved a greater level of staff motivation and customer satisfaction.

## VISION

Our vision is to be the leading high-quality security provider that understands clients evolving needs.

## MISSION

Mulika Security has been providing excellence in the security industry for more than 10 years. Since 2010, we've provided quality security programs and qualified personnel to meet the unique needs of each one of our clients. Our reputation has been built around raising the industry standard and creating a service catering to each client's specific needs. Our highly trained force consists primarily of former Military and Police Officers, former security guards, as well as other law enforcement personnel with years of experience and dedication.

## CORE VALUES

Excellence | Integrity | Innovation | Service | Innovation | Transformation

## QUALITIES THAT DEFINE MULIKA SECURITY

### **Rigorous Screening process**

You can't afford to trust the protection of your people and property to security guards who are not properly vetted.

Our guards go through vigorous interview process. Our interview includes behavioral and situational questions, as well as professional skills and experience. We confirm references and conduct background checks for every employee of the company.

### **Commitment to training**

We are committed to thoroughly train our guards before they set foot on your property. They are taken through initial training to ensure they are adept in security basics, training on the specifics of your location and any special considerations. Our guards undergo refresher training courses to keep their skills up-to-date. They are trained in emergency preparedness, terrorism response, incidence command.

### **Customer service focus**

One of the most important qualities of an effective security guard is the ability to inspire confidence. Our guards first priority is to protect the people they serve. They don't just guard against intruders, they give people peace of mind. They are trained to be alert and attentive without treating everyone they encounter like a suspect.

### **Experienced guards**

Our Security professionals have experience from a variety of sources, from the military to law enforcement to previous security jobs. Apart from their experience, they must undergo a through in-house training before they are posted to their various assignments.

### **Proven success**

Over the years, Mulika security has established itself in the security industry and has a wide base of clients in Real estate, corporate sector and government.

### **Specialization**

We offer services that are customized towards client's specific needs. We are specialized in Physical Security, Canine Security, Private investigation, Alarm and fire response and Tracking Services.

### **Compliance & Insurance**

Mulika Security Services adheres to the Kenyan constitution and international Code of conduct for Private Security services. The company is able to present proof of adequate insurance coverage that includes liability, bond and workers' compensation.
